

\$4 Million Spent on Flood Control Improvements in Sierra Madre Area Since Fires and Floods of 1953-1954

Flood control improvements costing nearly \$4 million have been built in the Sierra Madre area since the disastrous fires and floods of 1953 and 1954, it was revealed today.

The work has been part

of a joint county-wide undertaking by the Los Angeles County Flood Control District and Army Corps of Engineers.

In an effort to protect the community from tragic floods capable of inflicting heavy loss of life and

severe property damage, three debris basins have been built, a major wash has been improved and a key storm drain is nearing completion.

THE DEBRIS basins, designed to trap mud and silt moving down from the

mountain sides, are Auburn, Bailey and Carter. All were completed in December, 1954.

Auburn Debris Basin cost \$106,140 and has a capacity of 35,000 cubic yards. Bailey was built for \$116,860 and is capable of

retaining some 124,300 cubic yards of material, and Carter cost \$91,460 and will hold 19,000 cubic yards.

Reaches of Arcadia wash cost and completion date were: Huntington Place to Rio Hondo Channel, \$1,508,230, finished Dec. 29,

1955; Huntington Place to Colorado Blvd., and including the Lima St. Branch, \$540,000, completed in January, 1957; Baldwin Ave. Branch and the East Branch from Orange Grove Ave. to Colorado Place, \$1,063,910, finished Feb. 1,

1958, and the East Branch from Colorado Place to the confluence with Arcadia Wash at Huntington Place, \$227,600, completed Jan. 1, 1957.

NEARING completion is the \$230,000 Sierra Madre

Storm Drain being built as a part of the 1958 bond issue program.

Flood control work in the Sierra Madre area was spearheaded by the late Supervisor Herbert C. Legg and his successor, Board

Chairman Frank G. Bonelli.

M.E. Salsbury is chief engineer of the County Flood Control District and Col. Carrol Newton is officer in charge of the Los Angeles District of the Corps of Engineers.

Around the Square

By Tommy-Ann Miller

Isn't there some place in Sierra Madre where do-it-yourself-diehard can LE-GALLY go to set off a few fireworks? This business of bundling the kiddies over the Arcadia line and into a dark, hazardous intersection—the south side of Grand View's easterly end was crawling with displaced Sierra Madre-ans looking for a spot to light a sparkler.

Likely local areas for fire-working might include the ball diamond at Heasley Field, various school playgrounds, etc.—with Fire Department supervision if necessary.

KELLEHERS HOME. The Kellehers — Jim, Kathleen and family—are home from Hawaii after five years with the island post office. Jim (formerly with the Sierra Madre office) and Kathleen have been visiting friends here, but plan on joining the Whittier P.O.

FORMER SIERRA MADRE-AN Gail Gildersleeve Hodgdon and husband, Don, own the Hodgdon-Carr gift shop in Lower Hastings, and live in Pasadena with their nine-year-old son, Chris. Gail's father, Colonel W. W. Gildersleeve, who used to live down on Orange Grove and was in partnership with Harry Lange (up until about three years ago), is now building housing tracts throughout the valley.

A FAITHFUL reader phones: "H-O-R-D-E—that's the way it's spelled!" (George! you've been paying attention.)

PISTOL PIONEER. The daily gunshots at Bethany Church were on purpose and executed by Jim Hewitt, educational director, who signaled the starting and stopping of morning Bible School classes by firing a pistol. He also wore a cowboy outfit in keeping with the theme: "Pioneering With Christ."

CLIFF AND DOTTY STOWELL had a baby on June 30—a 7-lb. 6-oz. girl, Leslie Ann, born in Nagoya, Japan. The Stowells (ex-Mountain Trailites) are in the Orient while Cliff fulfills a three-year contract with the Gladding-McBean Company.

HIS HONOR HONORED. Highlight of the recent grand opening of Jo Whalen's Relics was the late evening celebration and christening of the rafter-moored dinghy—now nobly named: "Hon. Newell Barrett."

SALMON SUCCESS. Miner and Diane Harkness and nephew, Jack McRoberts, are home from three weeks salmon fishing at Shady Cove, Oregon, where Diane landed a 21-pound salmon (her first) and Miner caught a 27-pounder.

ONE MOTHER, who ignored her 12-year-old's question: "What does a boy DO on a summer afternoon?" later found him shirtless and reclining on the points of 60 nails which he had pounded into a board, fakir-style.

THE JOHN THOMPSONS have temporarily abandoned N. Lima in favor of Northridge Oregon where they're camping for two weeks.

UP ON W. ALEGRIA—between Auburn and Baldwin (north side of street)—stands one of the most magnificent forts ever constructed. It stands about three stories high, with peepholes, windows, escape hatches, etc., and is painted various colors—surely Sierra Madre's answer to the Watts Towers.

MOUNTAINEERS HAILED—County Supervisor Warren M. Dorn (seated) presents scroll honoring Sierra Madre Search and Rescue Team for their efforts in rescuing more than 300 stranded, injured or lost hikers in the San Gabriel Mountains since their formation in 1951. The volunteer unit was one of four, including the Altadena, Montrose and Antelope

Valley groups, to be honored at ceremonies in the Hall of Records. From left (standing) are Lieutenant Fred La Lone, team leader; Deputy Ken Shirley, Captain Pete Sutton of Sheriff's Temple City Station, Coordinating Deputy Robert Cline, Sheriff Peter J. Pitches, and Mountaineers Bill Wark and Ed La Lone.

New Street Lighting Plan Is Submitted

A comprehensive program for the much-needed improved street lighting for Sierra Madre, replacing the antiquated system in vogue for 25 years, was presented to City Council at its budget meeting Tuesday night.

The program, worked out by Councilman Milton R. Emerson and City Administrator Lawrence C. Bevington, after conferences with the Southern California Edison Company, was submitted to Mayor W. Webster Vannier and Councilmen Severin L. Sorensen, James F. Abernethy and Lorraine W. Lisle.

It is hoped to have expense and means devised in the new budget so that the new lighting system may be authorized and made operative without delay.

UNDER the proposed plan the present two zones in which the city is divided would be dissolved and under the 1919 State act replaced with several lighting assessment districts. While figures on the increased cost have not been divulged, it is understood they are distinctly reasonable.

Under the tentative plan

Mrs. Moyer With Pennsy Delegates

Mrs. Kenneth (Mary) Moyer of 46 N. Mountain Trail, vice president of the Sierra Madre Democratic Club, and picked as one of the official hostesses for the National Convention, opening Monday in Los Angeles, has been assigned to the Pennsylvania delegation and will remain with them throughout the session.

The Pennsylvania group will stay at the Huntington Sheraton Hotel in Pasadena.

Special Tennis Classes Planned For Youngsters

The Sierra Madre Parks and Recreation Commission is sponsoring a four-weeks tennis instruction course at the Sierra Madre City Park Tennis Courts under tutelage of Edwin "Bill" Boder for young people of the area 10 years of age or older.

Instruction for boys is from 1 to 2 p.m. Wednesdays and Fridays, and for the girls is from 2 to 3 p.m. Wednesdays and Fridays.

Classes have just started, and there are still openings for interested boys and girls who wish to take advantage of professional instruction.

Burglars Get \$300 in Loot

Burglars entering the garage of a new home under construction by Gale L. Hersey at 711 Sierra Meadows Lane, last week, stole valuables worth approximately \$300, Sierra Madre police report.

Listed in the loot were a \$160 power saw, portable radio, folding table, electric motor and a barbecue spit.

Entrance was gained via an unlocked door. Hersey's home is at 581 Sierra Meadows Lane.

Child Is Revived

Sierra Madre police, with a resuscitator, Thursday night revived the 17-month-old child of Mr. and Mrs. Neil D. Fergus at 157 W. Grand View. The child, running a 104 temperature and suffering convulsions, had become unconscious.

S.M. Firemen, Police Called In Car Crash That Brings Critical Injuries for Two

The July Fourth holiday brought a disastrous automobile crash in Sierra Madre in which a Whittier couple, only recently married, were critically injured.

Their Corvair sedan traveling east at least 70 miles an hour, police report, skidded some 222 feet and crossing the street, crashed head-on into a palm tree in front of 165 E. Sierra Madre Blvd., at 11:18 o'clock Saturday night.

It was necessary to call out the Sierra Madre Fire Department, members of which, with the assistance of the Sierra Madre police, Sgt. H. A. Christensen, and Officer D. C. Tucker, and the Arcadia Rescue Squad, worked for 15 minutes before they could extricate the injured pair from the almost totally wrecked car.

Hospitalized at Sierra Madre Hospital were: **Mrs. Theodore (Darlene "Rusty") Smith**, 31, of 3851 Abbeywood, Whittier—Internal injuries, deep cut extending from the forehead up over the hairline into the scalp requiring eight sutures, broken shoulder, punctured lung, broken rib, severe cut on the bridge of the nose, cuts and bruises.

Theodore George Smith, 29, her husband—Both legs fractured, left knee shattered, possible jaw fractures, one hip badly injured, multiple cuts and abrasions over entire body.

FREQUENT injections of plasma were necessary in Smith's case and surgery on his hospital bed was deemed imperative to save his life. Dr. Harold Axelrod of Sierra Madre; Dr. Gareth S. Ortman of Duarte and Hospital Administrator Larry C. Lomax worked through the night in attending the victims.

A curious feature was that Smith's parents did not learn of his marriage in May until summoned to the hospital following the accident.

Police point out that had the engine been in the front instead of the rear, the pair would more than likely have been crushed to death. As it was the car's hood was tele-scopically jammed back through the car as far as the rear seat and Mrs. Smith had to be practically cut from the wreckage. She is the mother of a young son

Kiwanians Plan Work Bureau to Aid S.M. Youth

The Sierra Madre Kiwanis Club will again operate an employment bureau for the young people of the community. Young people desiring summer employment are asked to register either at the Sierra Madre Hardware or at the Pantorium Cleaners, where forms are available. They will indicate age, type of work desired, experience, hours available.

Those who are interested in procuring help of any kind, either part-time or full time, may call Mrs. Florence Nielsen, at EL-5-3398. She will have the file of names of young people available for baby sitting, lawn work, house work, or full-time employment.

There is no charge for this service. It is provided by the Kiwanis Club as a community project.

Babe Ruthers Triumph Over Alumni Nine

The usual baseball enthusiasts crowded the benches Saturday afternoon at the new Sierra Mesa diamond to witness a tight game between the Babe Ruth All-Stars and the Alumni Nine (former Babe Ruth stars). The Babe Ruth aggregation triumphed 4 to 3 in the last of the seventh when Bruce Rowe, the winning pitcher, singled, reaching second on an error. Rowe hit pay dirt on Gary Nuetzel's line-drive single.

The Babe Ruthers outthit their elders with a triple by Rowe and singles by Burke, Paulus, Brett, Nuetzel and Rowe. Alumni's heavy hitters were Johnson with two singles; Thayer and Alexander with one single each.

THE ALUMNI lineup: Duncan Cason — P Ritchie Nakano — P Mike Johnston — C

'Acquaintanceship' Party For July 15

This city takes another step forward culturally with initial presentation by the newly-organized Sierra Madre Repertoire Theatre's "One Mad Night," a swift-moving and hilarious comedy, at the Sierra Madre School Auditorium the night of Friday, July 22. Sierra Madre and Hastings Ranch residents are prominent in the cast.

Added performances are scheduled for Saturday, July 23, and in the week following on Friday and Saturday nights, July 29 and 30.

So that residents of Sierra Madre, Hastings Ranch and environs may obtain a closeup of the various functions of the city's repertoire group and its personnel, the board of directors have arranged a "Get Acquainted Night" at 8:30 p.m., Friday July 15, at the Veterans of Foreign Wars Hall 40 E. Montecito.

THERE WILL be a select combo for dancing, a floor show, door prizes and a special, surprise event. Since the purpose of this event is to acquaint the public with the theater's functions, the admittance charge will be held to a minimum—\$1.25 a couple. As an added inducement, the same ticket will admit its holder to a performance "free of charge" for "One Mad Night."

At a special meeting at the home of Pauline B. Richter, 703 Manzanita, steps were taken to assure continuance of the satisfactory trend and manifest since inception of the organization which has the full-fledged backing of the Sierra Madre Chamber of Commerce and other civic organizations. Indeed, John H. Curtis, C. of C. president, has been an enthusiastic co-backer of the organization. The other officers are: With Glenn J. Blanchard, as director-producer, and James N. Colbert, assistant

Yup! We're Sorry

Newspapers are human institutions and once in a spell errors—editors call them "typographical"—will creep in.

We had an example last week in the Roberts Market ad. Lemon Chiffon Float came out "Foalt," and where "Made Daily In Our Own Kitchen" should have accompanied the Home-Made Salads, it was bracketed with All-Meat Weiners.

Yup! We're sorry.

Slight Fire Loss

Fire originating in a kitchen stove inflicted slight damage last Thursday night to the home of Mr. and Mrs. Leon J. Rizor of 674 W. Alegria. Sierra Madre firemen quickly extinguished the fire.

Eleanor Mae Price Weds T. G. Lumsdon June 25 in St. Clement's Church

White gladioli and stock were used to decorate St. Clement's Church in Berkeley, Calif., when Eleanor Mae Price, daughter of Mr. and Mrs. Ward F. Price of Berkeley, became the bride of Thomas Godfrey Lumsdon June 25. The Rev. Charles M. Guilbert read the service.

The bride, given in marriage by her father, chose a white full-length gown with a sole princess style train. Alencon lace and seed pearls were used at the neckline. Her shoulder-length illusion veil was held by a lace cap embroidered with pearls. She carried a bouquet of white cymbidiums and stephanotis.

The maid of honor, Margaret Long, Alpha Phi sorority sister of the bride, and the bridesmaids wore powder blue organza over taffeta frocks, designed with scoop necklines and box pleated bell-shaped skirts. They wore matching blue

veils with Dior bows on their heads and carried bouquets of light and dark blue delphinium.

STEPHAN J. M. Morris was best man and the guests were seated by Richard Price, brother of the bride, Alan Smith and Duane Lyders.

The mother of the bride was attired in a champagne organza sheath, accented with a brown cymbidium corsage.

The mother of the bridegroom wore a Dior blue sheath with cyclamen accessories and cymbidium corsage.

Nixon Club Plans Swim Pool Party

The Sierra Madre Nixon For President Club will stage a pool party during August, according to its chairman, Mrs. Mac A. Cason of 462 Manzanita. Several pools have been offered and upon Mrs. Cason's return from her vacation, definite plans will be formulated.

Mr. and Mrs. Cason, the former an architect, and their four children, left Saturday for a two-week vacation at their summer home in Oceanside.

Young Neutzel's Punt Helps West

A Sierra Madre boy had a hand in the West 20 to 15 victory over the East in the first annual San Gabriel Valley High School All-Star football game at Moor Field, Alhambra, last week. He was Fred Neutzel, 18, son of Mr. and Mrs. Henry B. Neutzel of 700 Acacia, halfback for St. Francis High at La Canada.

In the fourth quarter young Neutzel got off a 24-yard boot to put the ball on the East nine. Three plays later the West sneaked over and added the point to clinch the game.

Mr. and Mrs. Donald Ray Proctor

Proctor-Bellinger Rites Held At Trinity Presbyterian Church

Linda Lee Bellinger, daughter of Mr. and Mrs. Rae Dale Bellinger of Tampa, Fla., exchanged nuptial vows with Donald Ray Proctor, son of Mr. and Mrs. Theodore Proctor, 280 San Gabriel Ct., June 18 in Trinity Presbyterian Church. The Rev. Donald H. Ostrander officiated.

The bride was escorted down the aisle by her father. She wore a white peau de sole gown designed with long sleeves and Sabrina neckline trimmed with sequins and pearls. The full bouffant skirt swept to a chapel train. Appliques, embroidered with sequins and pearls, were scattered on the skirt. A scalloped crown held her fingertip-length silk illusion veil which also was scalloped. She carried a bouquet of white carnations, baby roses and stephanotis.

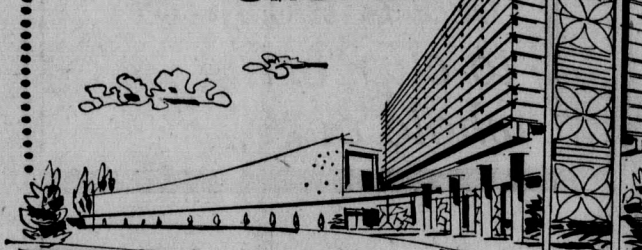

The matron of honor, Mrs.

George W. Quesenbery, cousin of the bride, and the bridesmaids, Mrs. Winifred W. Hansel and Miss M. Constance Jones wore pale yellow bouffant dresses and sequin and pearl trimmed crowns with yellow tulle. They carried bouquets of white carnations.

Phillu Troy was best man and the ushers were Edward Spacek, cousin of the bridegroom and Ronald McMullen.

A reception was held in the Pasadena home of the bridegroom's aunt and uncle,

Hastings Hill

There was lots of activity in the Ranch last weekend. So many of the neighbors took off Friday evening or first thing Saturday morning, it looked as though it would be a "ghost hill." However, those remaining all seemed to have fun things planned because the cars started pouring back filled with guests for Independence Day to get going. She left the week before on a 8,000-mile tour of the country. Sounds like it

will be a real fun trip because she is one of the 23 members of Girl Scout Troop 187 who chartered an Embree bus for the holiday. The girls, with their four chaperons, will be gone for five weeks and will visit all the places of interest between the Pacific and Atlantic. Part of the time they will be camping out, so it should be a "ball."

VACATION time has really gotten to Doris Harris. In fact, so much so that she was moved to compose "Ode to Summer," which I think all you hard working "taxi" mothers should be allowed to share:

Gone are trolley cars,

Travel far out of present day touch.

The familiar tone

The baby stayed at the hospital and the nurses are taking care of the late feedings and all the things a new baby needs while Bea is getting her "neckline" back. Of course, no one goes out to get themselves a "set of mumps," but if you have to have it, seems to me Bea planned it just right.

Valerie Hayward Celebrates 9th Birthday

Valerie Kay Hayward, the daughter of Mr. and Mrs. Donald M. Hayward, 3880 Valley Lights, celebrated her ninth birthday anniversary last Saturday at a luncheon.

A circus motif was carried out with the help of a carousel cake, complete with animals, a clown pinata, more than two feet tall, carousels, frolicking clowns and balloons. To add further to the illusion of the "Big Top," red and white streamers were strung from the ceiling to simulate a tent top.

The luncheon menu followed circus fare with hot dogs, pink lemonade, popcorn, cracker-jack and all the other things children so love to gorge on when at the circus.

Those young ladies enjoying the food, festivities and games were Cheryl Hayes, Lia Rudnick, Patricia Heer, Laurie Stine, Anne Hassel, Laurie Boyce, Penna Fruhling, Lorri Dunn and Katy Thompson.

VILLA VIEWS

By Toni Maurin
SY. 7-9634

I rather imagine if the world were viewed from a bird's eye it would seem to be covered with paper plates and empty beer cans, as

once again we pull out from under our glorious 4th. Remember the days when we used to make our own ice cream. That kept the kids busy for hours churning and testing. You were just bound to get a little salt in the ice cream when you tested it and it tasted so good. I'm filled with nostalgia when I remember how the water used to bubble out of the hole in the side of the freezer.

I know you can still make your own ice cream but it represents another era, pre-nuclear if you will, and you can never turn back the clock. Although it betrays my age I'm glad I was born in the apple cider and home-made ice cream age.

IF THAT BIRD was winging over this area last weekend he might have observed a family type gathering go-

ing on at the Joseph Philipson's home on Old House Rd. They have traditionally left the door open for their friends and families who would care to join them for the day and pot-luck with the dinner. This year they were joined by the Aikman Armstrongs, the George Clarks, and the Ellis Lapins.

MR. AND MRS. JOHN GRIFFITH of Mesita Rd. were hosts last weekend to

the "Day-Time Ladies Bridge Group" and their husbands. Theme was in Hawaiian motif — inasmuch as three members are coincidentally booked on the same passage to depart this week for Hawaii. It seemed fitting and proper to turn this into a farewell party.

Guests were Mr. and Mrs. Paul Siechert, Mr. and Mrs. Ken Christanson, one of the embarking couples; Dr. and Mrs. Kenneth Gardiner, Mrs.

Harold Zook, who will be accompanied by her daughter Lynn on her trip to Hawaii; Mr. and Mrs. John Senour, Mr. and Mrs. John Cahoon, Mr. and Mrs. William Baugh, Mr. and Mrs. Earl Welch, Mr. and Mrs. Robert Baugh, who will take their two daughters; Mr. and Mrs. George Otte and Harold Osburn.

The Griffiths have been continual hosts of late. They recently had a farewell par-

ty for Liisa Havola, the exchange student who has been living with them for the past nine months. There were about 70 to 80 of her classmates in attendance to bid her a fond farewell. She returned to her native Finland last week.

MR. AND MRS. ALBERT RICHARDS of Meyerloa Lane were hosts to Mr. and Mrs. William Gerhardus for the weekend. One evening they

had a dinner party which included, in addition to their house guests, Dr. and Mrs. Rand Lewis.

MR. AND MRS. RICHARD DAVIDSON had as their house guests Mr. and Mrs. Norman Ricker of Long Beach.

Shop Talk You'll Like To Peruse

By Lisa Churchill

Another new shop in Sierra Madre. Hugh Salomon unofficially opened the Sierra Madre Bootery at 85 W. Sierra Madre Blvd. on July 1. Unofficially because of the usual problems of trying to get everything in order by a certain date.

Mr. Salomon tells me he is planning the official Grand Opening on or about Aug. 1. I'm making it general so if any of the stock is delayed in transit, or gets here sooner) the date can be announced later. Watch the columns of this paper for further details.

Mr. Salomon has been operating a shoe shop in Ontario for the past several years and resides with his wife and two daughters, Barbara and Rosanne, in Arcadia.

Now that the girls are entering high school and junior high school, respectively, Mrs. S. is planning to join her husband in their new venture.

The Bootery will specialize in children's shoes from the first-steps to the teen-climber. There also will be a full line of dancing shoes and corrective shoes. Be sure to drop in and get acquainted with your new neighbors—you'll like them.

SPEAKING of new neighbors, John Swartz, of Decker & Swartz, came to town in January and already is sponsoring a Little League ball team. How you doing, kids? Decker & Swartz is the store where they have all those GLEAMING appliances.

STRAWBERRIES, anyone? Reess Market had the biggest display of strawberries the other day when I went in to meet Mr. Reess. I didn't meet him because he was out to lunch, but I certainly saw those strawberries. All I needed at that point was vanilla ice cream, a bowl, and at least a full box of those ripe, red, delicious berries, and I would have been in business right there. Come to think of it, I could probably have gotten the ice cream and sugar right in the market, everything but the bowl.

IN BOSTON there is a renowned restaurant in the market district with sawdust on the floor, red check table cloths and food for the gods. In Sierra Madre there is the CLARDON DELI at 31 N. Baldwin, with sawdust on the floor, red check table cloths and food for the gods. I felt like a little kid with my nose pressed up to the food cases trying to see just how many kinds of cheese, salads, cold meats, enchiladas, etc., and etc., there were.

Sunday dinners are now going to be a specialty of the house from noon 'til 4 p.m. I'm looking forward to being an early customer.

TALKING about new buildings, which we weren't, have you all seen the spectacular Home Savings and Loan Building in Arcadia? Make it a must—and remember that 4% per cent—drop in a few dollars as you go by.

4 Registrars Are Selected

Ben S. Hite, county registrar of voters, announces the names of four Sierra Madrans who will take registrations for the Nov. 8 presidential election. Closing date for registering is Sept. 15, or 54 days before the election. The four Sierra Madre registrars are: Mrs. L. S. Eaton, 145 E. Algeria Ave.; Miss D. A. Thill, 59 E. Grand View; Mrs. L. Marie Warfel, 319 N. Sunnyside, and Mrs. M. B. Moyner, 46 N. Mountain Trail.

Postal Receipts Up 16.4 Per Cent In First Half Year

Sierra Madre's postal receipts for the first six months of 1960 showed a continued healthy 16.4 per cent increase over the corresponding period in 1959. Receipts for the first six months this year were \$99,954.76, compared with \$89,856.08 for 1959, a numerical gain of \$14,098.68. June figures were \$16,779.10, as against \$15,779.12 in 1959, indicating a gain of 8 per cent in a month when a seasonal decline in receipts is proverbial.

Mrs. William Empey

Sally Lauder Weds William Empey May 21 in North Hollywood

Preceding the June brides by several days was the former Miss Sally Lauder, who was married to William "Buck" Empey at St. Charles Church in North Hollywood May 21.

The bride, daughter of Mr. and Mrs. James W. Lauder, who moved to Fullerton from their Sierra Madre home last summer, was a local resident for ten years. She was graduated from Wilson Junior High School, Pasadena High School and Pasadena City College. She also attended UCLA where she met her husband last year.

Jeffries, and ushers included two of the bridegroom's fraternity brothers, and Ronald Lauder, the bride's brother.

A reception at the home of the bridegroom's parents followed the afternoon ceremony. A highlight was the serenade by the Theta Xi's given by the couple as they left.

The newlyweds are presently residing in West Los Angeles.

Mr. and Mrs. William Empey Sr. are the parents of the bridegroom who was graduated from UCLA this spring. He is a member of Theta Xi fraternity there.

Attending the bride were her sister, Louise Lauder, who acted as maid of honor, and the bridegroom's sister, Marilyn Empey who was the bridesmaid. They wore yellow dresses which carried out the yellow and white theme of the bouquets and altar flowers.

Darrell Cozen, son of Mr. and Mrs. Don Cozen of Pasadena, will read a portion of the "Haftorah" on the occasion of his "Bar Mitzvah" at Temple Beth Israel, 212 N. Lima St., Sierra Madre, Saturday morning at 9 o'clock. Darrell will receive his charge and benediction from Rabbi Charles W. Steckel, spiritual leader of the Temple Center. Cantor Barnett Mitok will chant the prayers. Friends, relatives and members of the temple are cordially invited.

"All this on my account?"

says Janet Blair

Us: Well—ah—actually, Miss Blair, we do this on everybody's account.

Janet: You mean there are 59 services available to everybody with a Savings Account at Bank of America?

Us: Sure. Everything from cashing a check to financing a swimming pool. And don't forget there's also the extra safety and availability of your funds to be considered.

Janet: That's wonderful! Where else could you get all these extra services except at a bank. I bet you'd even help me if I wanted to replace my furniture, wouldn't you?

Us: I'm sure we could make some sort of arrangement.

Janet: Well that's just fine, because I'd like the piano over there, and then the big table will go under the window and.....

Church School By Presbyterians Is Successful

Trinity Presbyterian Church has just completed a successful two-week Vacation Church School. Under the direction of Mrs. Viola Carmichael, acting director of Christian Education at Trinity, the school ran from June 20 through July 1, with 125 children in attendance, from kindergarten through sixth grade.

Following teachers had full-time classes: Msdms. Francis McMurray, Lois Orswell, Joan McLaughlin, Liane Putnam, Carol LeFevre, Pam Worden, Jeanne Davis, Miriam Sunda, Marion Walters, Della Lee Francis, Betty Stearns, Mary Evelyn Hamlen.

Substitute teachers were Clarinda Beilstein, Kathryn Samson and Evelyn Cannon. Junior Assistants: Kathy Orswell, Barbara Shanks and Sally Van Sickle. Mary Ostrander and Peggy Smyth cared for the teacher's children.

Highlights were the daily worship services in the Chapel. The different departments took turns conducting the services and the Pastor gave a brief sermonette at each service.

Thursday evening, before the last day of the school, a pot-luck supper was held in Fellowship Hall, participation in the Chapel after supper was followed by an inspection of the children's handicraft in the various rooms.

S.M. Youth Injured in Bus Crash

Dennis Nations, 12, son of Mr. and Mrs. George O. Nations, who recently purchased the Royal Grill in Kerling Court, was among the 41 boys injured in the school bus crash in the Rolling Hills area of the Palos Verdes Peninsula last week.

The bus went out of control while returning from a summer outing, crashed into an embankment and skidded one-fifth of a mile against the embankment before overturning.

Dennis, a counselor at the Sewanda YMCA camp and riding directly behind the driver, Edward Lawrence Russell, a Palos Verdes school teacher, suffered bruises about the body. Russell was wedged into his seat by the crash and young Nations helped to extricate him.

The youngsters had completed an outdoor summer session at the Sewanda Camp and were en route to the San Pedro "Y" before returning to their homes. Transmission explosion and a resultant failure of the brakes brought Russell's decision to head the bus into the embankment rather than risk collision with other vehicles on the road.

Tennis Prexy Is Woodward

Mrs. Jeanne Holt was appointed librarian; Robert Englert, J. Robert Winegardner and Ted Hillson, members of the team and tournament committee, and Dixie Dubois, Marilyn Greger and Robert E. Victor, members of the social committee.

Rev. Glenn W. Thomson New Minister of Education At Trinity Presbyterian

The Rev. Donald H. Ostrander, pastor of Trinity Presbyterian Church, announces the coming of the Rev. Glenn W. Thomson as minister of Christian Education.

The Rev. Mr. Thomson was born in Green River, Wyo., and spent his childhood and youth in Utah.

During World War II and the Korean conflict, he served with the United States Marine Corps from 1945 to 1951. He was graduated from Westminster College in Salt Lake City in 1955 and has received his B.D. degree from the San Francisco Theological Seminary in San Anselmo, Calif.

The Rev. Mr. Thomson was ordained by the Presbytery of Utah on June 24, 1960, and immediately thereafter transferred his membership in that Presbytery to the Presbytery of Los Angeles so that he might accept Trinity's invitation to serve as assistant minister.

On June 28 the Presbytery of Los Angeles, meeting on the floor of Synod at Occidental College, received Mr. Thomson into its membership, thus clearing the way for him to serve Trinity.

Holy Communion At Faith Lutheran

The sacrament of Holy Communion will be observed in the 8 a.m. Sunday worship service at Faith Lutheran Church, 835 Hastings Ranch Dr. This will mark the first time that the congregation observes this rite in its Matin service.

The Sunday sermon in both 8 and 10 o'clock worship services will be entitled "With the Lord Begin Thy Task," another in the Rev. Armin Hesse's summer pulpit messages from the Book of Joshua. In announcing this topic the pastor stated: "Many of our failures can be attributed to improper and inadequate beginnings. The fifth chapter of Joshua stresses wisdom and importance of dedicated beginnings."

WHILE in Salt Lake City, Mr. Thomson was active in the Wasatch Presbyterian Church and served as scoutmaster of its BSA Troop 38, and also as camp director for the Great Salt Lake Council of the BSA.

He also has had varied experience in secular employment from time to time, and while in seminary gained much experience in his field of Christian education by serving as student assistant in Bay Area churches.

The new minister of Christian education is married, and his wife, Pat, is an accomplished musician. They have a daughter, Becky, 4½ years, and a new son, Karl, eight weeks. The family has just moved into a home on Arbolada St. in Hastings Ranch, just below the church.

Mr. Thomson will have primary responsibility for the Christian education program of Trinity (which has almost 700 children enrolled in its Church School), and will assist in the planning and advising of the Westminster Fellowship Youth program of the church, working closely with the advisors for this purpose.

He is looking forward to a long and fruitful ministry in his chosen field at Trinity.

This is always a good world to the man who does good work in his chosen field.

Ministry Training For S.M. Youth

Ronald Westerman will be received into the care of the Los Angeles Association of Congregational Churches, as a candidate for the Christian ministry at the service of worship at the Congregational Church this Sunday, July 10.

Mr. Westerman, his wife, Joyce, and their children, Eric and Elisa, will journey to Berkeley this fall where he will enroll in the Pacific School of Religion to begin his ministerial training. Mr. Westerman has been approved by the credentials committee of the Los Angeles Association, and by its executive committee as a pre-ministerial candidate.

At the same service, which begins at 10 o'clock, the Rev. Homer Schwartz, minister of Westview Congregational Church, Spokane, Wash., will be guest preacher. The Rev. George W. Lindsay will conduct the worship at that hour.

'Judge Not' Is Theme of Rev. Hansen

"Judging Others" will be the sermon topic by the Rev. Ray E. Hansen, pastor of Shepherd of the Hills Lutheran Church, 35 E. Sierra Madre Blvd., Sierra Madre, at the 10:10 a.m. family worship Sunday.

"We are quick to see other people's faults," Pastor Hansen will say, "therefore Jesus bluntly warns us, 'Judge not!' A person who judges others is trying to play God. We must let God be the judge. It is on the basis of mercy, rooted in faith, that God judges us all."

The sermon will point out the need of mercy in today's world, community and home, and how the Christian can strike a balance in being merciful to his fellowmen.

The Right to Hear

Sierra Madre's City Council can well make a profitable investment in providing adequate, modern loud speakers and amplifiers for each councilman, the city attorney and city administrator.

The present system is entirely obsolete and inadequate, and many times results in an almost complete inability for citizens in the audience to hear what is said, and this despite recent efforts by Council to remedy the situation.

In fact, there are times when what reaches the audience resembles more of muttering rather than audible utterance. Sierra Madre citizens—taxpayers—come to their Council meetings to hear what is going on—not for speech blackout.

Other city councils, notably that at Anaheim, have loud speakers for each of the councilmen and officials, plus one for the citizens who address the meetings. Sierra Madre's Council can provide like facilities—it should. The people have a right to hear as well as to know.

Our Worthwhile Youth

The hue and cry about juvenile delinquency is much of it deserved, for there is an element among our younger generation for whom law and order—and decency—mean absolutely nothing. They live by "personal license."

Yet amid this mounting disregard for law, something upon which the foundation and progress of our country has been and is predicated, there stands out, emblazoned in all propriety and emblematic of true progress and right living, the achievements of many of our youth who think soundly and properly.

Two such instances are presented to our mind in this week's issue of the **SIERRA MADRE NEWS**. One is the Youth Coordinating Council's first teenage dance to be held at the Youth Hut this Friday night. Read the rules which these youngsters have themselves formulated for this evening of gaiety and fun and you will realize their clear-thinking and sense of decency. We commend them to you.

The other is the story of Sue Maloney, Sierra Madre girl, who was chosen as one of the 12 American youngsters to spend two months this summer in Brazil as participant in an international project sponsored by the Girl Scouts of America and the Experiment In International Living.

Sue will live with a Brazilian family; she will tour that vast country's historic spots, and in this study-travel project she will observe and learn close-hand much about Brazil's citizenry. Undoubtedly, she will return to her native land a young woman much better versed about our neighbors to the south, of how their daily life and thoughts differ from ours. All this, we know, will help to make her a better American.

These are two examples, emanating from our own "Foothill City of Livability," which cause us to say "Amen" to that worthwhile portion of our youth upon which the future of our land depends.

A Creed for Chaos

The young men and young women recently graduated from our high schools and colleges are learning rapidly, even in so short a time, that they face a bewildering world. To whom do they now look for guidance they will need as they adjust themselves from the process of learning to the practice of doing?

It is to be hoped they don't look to the Young Democrats of California. During that group's state convention in May some astounding resolutions came out of the hopper which, if followed, would form a creed for chaos. Few were more disturbing than that which said, in part:

"We strongly support the principles of academic freedom. We believe that the school is a place for experimentation and there should be no inhibition or repression of any type of idea be it popular or unpopular, safe or unsafe."

LET'S ANALYZE that a bit:

"No inhibition or repression of any type of idea be it popular or unpopular, safe or unsafe!" Burglary, for instance? Sadism? Obviously the Young Democrats had no fear of the teaching of Communism, because another gem cranked out by the resolutions committee had this to say regarding the House Un-American Activities Committee:

"We censure all past and present activities of this committee and call upon all Democratic Party officials in the State of California to speak out against the activities of this committee as a flagrant violation of civil liberties."

Especially the civil liberties of Alger Hiss?

ICONOCLASM is a normal by-product of education, but to see there should be NO effort in our schools to teach repression of dangerous ideas, and to condemn ALL efforts to expose Communism's insidious operations is wielding the broad axe against some most basic and vital American principles.

Let us hope that the young graduates are approaching the facts of life in the society of men more mature than these Young Democrats.

Yup! Just Wait

Harry Truman says Stevenson is uncertain of himself. Jim Farley says Adlai wants to be the great appeaser. Meanwhile, Stevenson isn't saying anything except he'll run if he's drafted, and can get some shoes that don't have holes in their bottoms. About the other presi-

dential hopefuls! Well, Kennedy says he's got that "squirrel" freed. Symington thinks Harry's endorsement is enough to make him the winner. Humphrey has quit—so has Morse, but Johnson of Texas goes quietly on humming and trading horses... Guess we'll all just have to wait on the convention.

'Go West, Young Men, Go West!'

Lee Shippey Says...

What Do You Think?

One of the things about which I can't get enthusiastic is paid television. And that isn't just because of my Scottish ancestry, either.

The simple fact is that there aren't one-fourth enough really good television programs to go around, and big money is no inspiration to dramatic art.

Shakespeare barely made a living, but you can't hire another Shakespeare for \$1 million a month. The bigger the price tag you put on any artistic venture the more commerce overshadows art and the more an artist thinks about money the less an artist he becomes.

ALREADY there is such competition for TV actors who can make us laugh or cry that some are being fabulously paid, but many of the costliest programs we see are almost a waste of time, often time-worn tripe interspersed with flippancies. Sometimes the only really

good thing we see in a week is a revival of a classic play, proving that we have the actors if only we can give them the vehicles.

The competition now makes the contract-makers value many entertainers far above their worth, and pay TV would only result in the ballooning of a lot of third class material as first class.

"**LANDSLIDE** Threat Seen for Hillside Builders" read a headline in the Los Angeles Times the other day, the article quoting a Caltech geologist to the effect that because of soil composition and the frequency of minor earth tremors earth slippages may be accelerated wherever hillsides are undercut without due regard to the surrounding terrain.

I think the slippages we have seen in Pacific Palisades in recent years and those in super-exclusive Palms Verdes Estates last winter should be proof enough that the geologist is right,

and any community which doesn't safeguard the rights of those who may suffer from landslides is derelict in its duties.

AMONG SALESMEN, expense accounts are nicknamed "swindle sheets." And I sadly doubt that making congressmen turn in expense accounts will make that nickname any less appropriate, even though they nobly talk of limiting their hotel and bar expense to \$25 a day.

Lots of junketing congressmen live a lot higher when Uncle Sam is paying the bill than when they themselves are paying. They count on Uncle Sam to support them in a style to which they never were accustomed before, and the motto of many seems to be "Join Congress and See the World."

I'M GLAD to see that Newell Barrett is a judge now, and feel dead sure he will make a good one.

Letters to the Editor

Dear Editor:

After reading a news report and a letter to the editor recently in your paper on the subject of telephone rate increases, and after talking to many of my neighbors on this subject, it looks as though a modern "T" (for telephone) Party similar to a memorable one held in Boston back in 1773, is in the making for the California Water and Telephone Co.

Those who are wise can learn much from history and avoid disaster because history is always repeating itself. And from my armchair observations I am convinced that almost without exception, every subscriber to the service of this California Water and Telephone Co. is ready to dump them overboard like our ancestors did who loved their tea but not the price they had to pay for it, and welcome in a company who will give us a just, equitable rate and good service.

Every neighbor I have talked to about this California Water and Telephone Co. and their rates and service, is actively belligerent over the whole matter. It will not be citizens this time disguised as Indians who will lead in this "dumping" operation of a tyrant telephone company, for these men have already announced their names and they are fearless because they know they are on the side of principle. All success to them!

I SEE no reason why an individual can't shop around for a phone service the same as he does for any other commodity. This setup of the Public Utilities Commission dictating to citizens what phone company they must use, or else do without, is pure and simple regimentation.

And this is America! If I want to take a trip, I have no dictator telling me that because I live in East Arcadia, I must use only one

method of travel, I am free to go by bus, train, air or drive my own car, and no one orders me to go Greyhound, Santa Fe, American Airlines or by some prescribed make of car. Where I live makes no difference and how I go is immaterial as long as I pay my fare.

If I go out to buy groceries, I am free to go to any market anywhere. If I want a shirt or a suit, I am not confined to my own area or its shopping center, but I can spend my money where I wish. If I buy a car, I am not restricted to any set or prescribed dealer or area because of my residence. I bought my last car in San Diego County.

BUT IF I want a telephone

OUT OF THE COBWEBS

41 YEARS AGO THIS WEEK, July 11, 1919—In their new home at 210 Mariposa Ave., Mr. and Mrs. J. J. Rapin entertained at a dinner party a number of friends from their home town in "Soo" (Sault Ste. Marie), Michigan. Among those present were Mr. and Mrs. Paul Everett of the Windsor apartments; Mr. and Mrs. George Foster, Mr. and Mrs. W. Spraker, Mr. and Mrs. Herbert French and family; Sergeant George Porter, Henry Foster, Mrs. Minnie Shaw, all of Los Angeles. Mrs. A. Norlie of Los Angeles assisted Mrs. Rapin.

George Norris returned to Sierra Madre Saturday with his discharge papers and made glad the hearts of his parents, Mr. and Mrs. S. R. Norris, as well as his many friends here. He left France only a short time ago and came direct home as soon as he was mustered out.

In the show window of J. F. Sadler & Co., a poster is displayed, advertising the St. Catherine Girls Carnival which has received many comments and much praise. The poster, artistic in conception and design, was painted by Miss Helen Sadler.

The Board of Trade Monday night appointed a committee of three, C. W. Jones, C. W. Forman and J. N. Hawks, to decide on the design and to purchase a memorial tablet to the soldiers and sailors who enlisted from Sierra Madre and to select the site which it will occupy.

20 YEARS AGO THIS WEEK, July 5, 1940—Two more out-of-town families who were entranced with the beauty of Sierra Madre Canyon have purchased homes there and are moving this week. A home at 694 Sunny-side Lane, formerly owned by Ida Thonell, well known in this city, was sold to Mr. and Mrs. Leon C. Evers of Altadena. Mr. and Mrs. W. D. Lehman and family of South Gate bought a home at 646 Woodland Dr., formerly owned by Mrs. George Scanlan.

The Sunday night supper program at Wistaria Vine Gardens will include an address by Judge John Beardsley, member of the Superior Court of Los Angeles, who will be introduced by Edgar W. Camp. The subject of Judge Beardsley's address will be "Civil Liberties Now." Perley Poore Sheehan will preside.

Mr. and Mrs. Hudson Proctor and son Phillip, Mr. and Mrs. N. W. Hull of Pasadena and Mr. and Mrs. W. S. Hull and daughter Cynthia were guests of Mr. and Mrs. C. W. Jones for a Fourth of July picnic in the gardens of the Jones home at 49 E. Alegria Ave.

Your Congressman Reports...

Those Expense Monies Scandals

By Edgar W. Hiestand
Representative, 21st District,
California

The recent "scandal" over misuse of Congressional expense monies once again puts the questioning spotlight on the most significant issue of all—the awareness of the American voter.

Surely, there have been irregularities in the complex machinery of Congressional expense allotments. And, to be sure, these irregularities concern only a few members of an otherwise hard-working and honest Congress.

There have been awkward occurrences in Congress before the sensationalism of expense stories. For instance, did you know that men have been elected to Congress while serving time in a penitentiary? Or that others have served on the floor of Congress while under indictment for income tax and other frauds?

I DO NOT deny that misuse of Congressional expense monies—cheating, it might more appropriately be called—is a serious, shocking and important matter, even if it

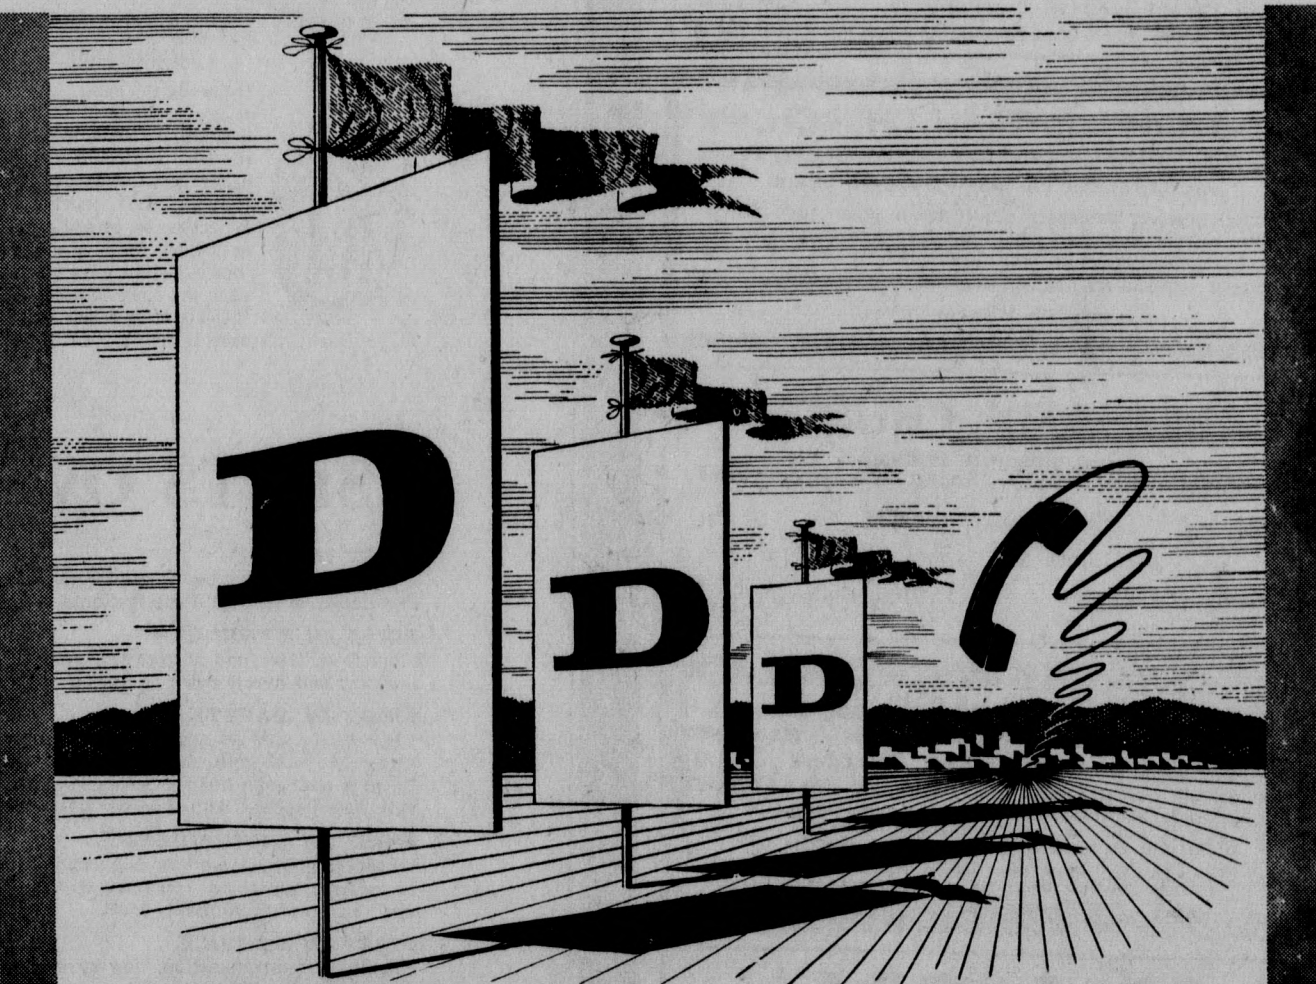

WEEK, July 13, 1950—Major Spencer P. Edwards Jr. was graduated last week from the advanced officers course at the Fort Benning, Ga., Infantry School. A graduate from UCLA, Major Edwards has been on active duty with the U.S. Army since 1940. Sierra Madre is "home base" for Major Edwards. He and Mrs. Edwards are the parents of three small daughters.

First Lieutenant David A. Moore, 400 Mariposa, this week was reported missing over Korea. The Air Force officer apparently is the first Sierra Madren lost in the Far East fighting. Lieutenant Moore served as a captain during World War II. He flew 25 combat missions over Japan in B-29 Superfortresses for which he was awarded the Distinguished

Flying Cross with Oak Leaf Cluster. Lieutenant and Mrs. Moore are the parents of a three-year-old daughter Sharon. Mrs. Moore lives with her mother, Mrs. Edith Williams, at the Mariposa address.

5 YEARS AGO THIS WEEK, July 7, 1955—New officers of the American Legion Auxiliary will be installed with informal ceremonies in the garden of the Val Miller residence, 144 San Gabriel Court, next Thursday evening. Mrs. Roy Pickett, past president, will be the installing officer. Those to be inducted into their new offices are Mrs. Mariford Bauer, president; Mrs. Theo Proctor, first vice president; Mrs. Lloyd Welch, second vice president; Mrs. Betty Curtis, secretary; Mrs. James R. Mager, treasurer; Mrs. Ralph Bent, Mrs. Edna Falter and Mrs. Wayne Beisel, executive board members.

There may be a lot of sin on exhibition nowadays, but none of it is original.

DDD is coming to your community

In August of this year, Direct Distance Dialing will become a reality for California Water & Telephone Company subscribers in the Sierra Madre area having Elgin prefixes.

With the advent of DDD, subscribers will be able to dial telephone numbers in thousands of cities and communities throughout the United States, direct from their telephones, without the assistance of a Long Distance Operator.

The United States and Canada have been divided into telephone numbering areas and each area has been assigned a three digit number—called an "area code." In order for a subscriber to dial a friend or relative in a distant city, it will only be necessary to dial the "area code" plus the desired party's telephone number.

This service will be provided at the same rates presently charged for station-to-station calls. There will be no increase in telephone rates.

Direct Distance Dialing applies to station-to-station calls. Other calls—such as person-to-person, collect and pay station calls—will still be made through the Long Distance Operators.

A booklet explaining how DDD works will be mailed to each subscriber at the time the service is ready for use.

A GROWING LINE OF MODERN COMMUNICATIONS

Mrs. Hicks, S.M. Resident, Tells of Trip Eastward To Washington, Annapolis

EDITOR'S NOTE—Recently, a leading Sierra Madre resident, Mrs. Jeanne Norton Hicks of 415 Auburn Lane, flew eastward for a visit there with old friends. She has set down some notes about her visit which undoubtedly will prove interesting reading.

"I flew by jet to Washington, D.C., and to an old pilot of 25 years ago like myself, the flight was a dream. We never lost sight of the beautiful country below for one minute. The day was perfect all the way across the United States.

My old friend, Mr. Walter Nash, the prime minister of New Zealand, was to be in Washington for a week of State conferences, so I wrote and asked him to dinner at the home of Rear Admiral and Mrs. James.

Admiral James is the chief of the Bureau of Ships and was my host for several days. Mr. Nash accepted and was accompanied by his aide-de-camp, Major General Campbell of New Zealand. The James had asked me for guest list so that they could have a cocktail party for me and so I was able to greet all of my old friends in the beautiful old house which was built in 1810 and in which the James live as Naval Quarters.

IT WAS a wonderful party and with the exception of the two New Zealanders every man present was an admiral, or retired, half of them of my late husband's class of '28.

Other most interesting friends of mine were Madame Ludmilla Safonov, until recently my French professor at Pasadena City College and now at the Library of Congress, and Miss Jessie Kriner, lately of Consolidated Electrodynamics, Pasadena, and now of Washington. She is a young, beautiful blonde whose business career beggars description.

I stayed a week with Jessie's parents, Captain and Mrs. Kriner, in Alexandria, Va., and their estate adjoins that of Mt. Vernon. Jessie took me touring for two days, viewing the lonely, old restored historical houses in Virginia. She and I saw all of them between Washington and Jamestown, Va.

THE COLLIERIES at whose home I stayed at Chevy Chase, took me to Dumbarton Oaks at dusk. Those gardens are glorious—miles after mile of them, and a century of artistry in the plantings and prunings. The Harvard Businessmen's Meeting (inside) had as guest speaker, Mrs. Capriz, her subject, 'A Washington Hostess.' Meeting her and listening to her was the dulllest time of my trip. She missed a classic reply when asked who was the most interesting person she had met in a career as a Washington hostess. She hummed and hawed and had no answer. I would have said 'The President of the U.S.A.' wouldn't you?

Rear Admiral and Mrs. Anderson (Harriett Mitchell, daughter of the late Billy Mitchell) gave a cocktail party for me in their lovely home, and Harriett said that she is going to find the nicest man in the whole world and destroy my widowhood! She hasn't a chance. 'Once Lucky' is my motto.

The Colliers took a group of us to dinner at the luxurious Navy Club and another evening the James took me to an enormous Navy party at the same club, and I had the pleasure of meeting two under-secretaries of the Navy and their wives, Mr. and Mrs. Jackson and Mr. and Mrs. Bantry.

THEN TO Annapolis. Helen Marr and Deborah Nakeman came to get me at the James. These were the two brides-to-be, daughters of Captain and Mrs. Nakeman of Annapolis, about to be married to two midshipmen who were to be graduated June 8, and the tandem wedding was to be June 10, in the chapel which holds 2,500 persons.

I was supposed to be in charge of the weddings in this magnificent chapel—and I was! Have you ever tried to meet 200 new faces in a 24-hour period? I tried to remember which 22 comprised the two wedding parties when all were strangers from out-of-town.

Well, this wedding came off without a hitch, but I am sure that I lost five pounds. It was a delightful occasion; each daughter had her own procession and a recession, and then the two couples met and all four went down the steps under the traditional arch of swords, each row of ensigns flanked by bridesmaids.

IT WAS the first tandem wedding in the chapel at Annapolis. The reception, for 400, was at the large and beautiful Alumni House and

Few Taught Tennis on City Courts

Swimming instruction at the City Recreation and Parks Department's Sierra Vista pool is proceeding well this summer, with approximately 125 swim pupils being taught every weekday morning, according to Recreation Director David A. Sommers.

Tennis instruction is, however, another matter, with only 15 registered for instruction, starting July 1. At the last meeting of the Recreation and Parks Commission the chairman, Mrs. Margaret Anthony, questioned whether the Sierra Madre Tennis Club had been of assistance in obtaining recruits for the instruction classes. Director Sommers explained that, to his knowledge, they had not sent anyone.

Commissioner Al Foxton expressed doubt whether the Tennis Club felt that the tennis instructors were not of the proper calibre. The instructor is paid \$3.50 an hour, this covering beginners, intermediate and advanced players.

IN THE DISCUSSION which followed, Commissioner Arthur G. Albreton speculated on whether it would be better next year to concentrate on instructions for be-

ginners only. Director Sommers expressed the belief that pupils would benefit more from instructions on Monday, Wednesday, and Friday afternoons.

It was suggested that Dyke Berry who specializes in tennis instruction, and who is the mentor at the Anokia and the Tennis Club in Los Angeles, be obtained to teach at a reduced rate next year.

After it was determined that Director Sommers had not approached the Tennis Club in respect to pupils, Chairman Anthony and Commissioner Fleming suggested that he do so and ascertain if they might help with registration and publicity.

The Recreation Department's special events program swung under way Tuesday, with events scheduled from 9 a.m. to 1 p.m. with instruction in crafts, nature studies, field trips and swims at the pool scheduled.

Members of the Civic Club have volunteered to fix up the Park House during which time regularly scheduled activities there will be temporarily suspended.

Mrs. L. K. Behmer, Once Coffee Shop Owner Here, Dies

Mrs. Lillie K. Behmer, 69, who, with her husband, the late Henry H. Behmer, who died in 1953, for many years operated a coffee shop at 39 Windsor Lane, Sierra, Madre, died at her home at 5406 Lanta St., Baldwin Park, on June 30. She had been ill many years.

Mrs. Behmer, originally from Illinois, had been a California resident for 31 years, mostly in Sierra Madre, residing at 39 Windsor Lane.

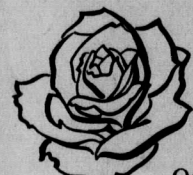

Surviving are four brothers, Theodore Wikowsky, Austin, Tex.; Albert, Paragould, Ark.; John, Baldwin Park, and Gene, Sierra Madre. Funeral services were at 2 p.m. Tuesday, at the Ripple Mortuary, the Rev. Gordon Burleson officiating.

Teaching Machine Is Highlighted

By Mrs. Alexandra Prober

The teaching machine will not replace the teacher entirely, was the conclusion voiced by Dr. Odell of Stanford University, in summarizing the panel discussion on "Implications of Modern Instructional Technology" held at the end of the Audio-Visualized presentation at the Statler Hotel.

"Instructional Technology And The Teacher" presentation was produced for the Department of Audio-Visual Instruction of the National Education Association, and was enthusiastically received by the educators, including a Sierra Madre representative, assembled in the Pacific Ballroom of the Statler Hotel, at 10 a.m. Tuesday, June 28.

Vivid demonstration of audio-visual aids such as overhead projectors; television programs in languages, science, social studies and mathematics; "Listening corners" where a group of students by means of individual earphones may study or review a recorded lesson, were included.

ONE OF the highlights was demonstration of the use of the new "Teaching Machine," a box to which rolls of tape may be fed in the manner of an old-fashioned piano. These tapes contain questions and a space is provided for the writing of the answer. Dividing the two areas is a space in which the correct answer is printed, but covered with a metal tab. The student may check his answer after he has written it, by lifting the tab.

At present the teaching machine is for individual instruction only, but developments are in progress to make this machine adapted for group use, as well as for inter-communication between student and teacher.

MRS. YVETTE MILLER of the Pasadena School System illustrated and spoke on her experiences as a television teacher of Spanish. She spoke of the problems facing a television teacher in programming, in getting acquainted with technical terms, in working with the technical staff at the studio, and in planning the lesson so that several thousand students will feel that she is speaking to each of them as individuals.

She has developed records and guide sheets to help the school teacher in preparing for and following through on the telecasts.

Mrs. Eugenia Bernthal, Pasadena School teacher, presented her experiences with "Listening and Viewing Corners" which may be used in the elementary school for enrichment purposes in case of the gifted, or for repetition and special instruction in the case of the slower student.

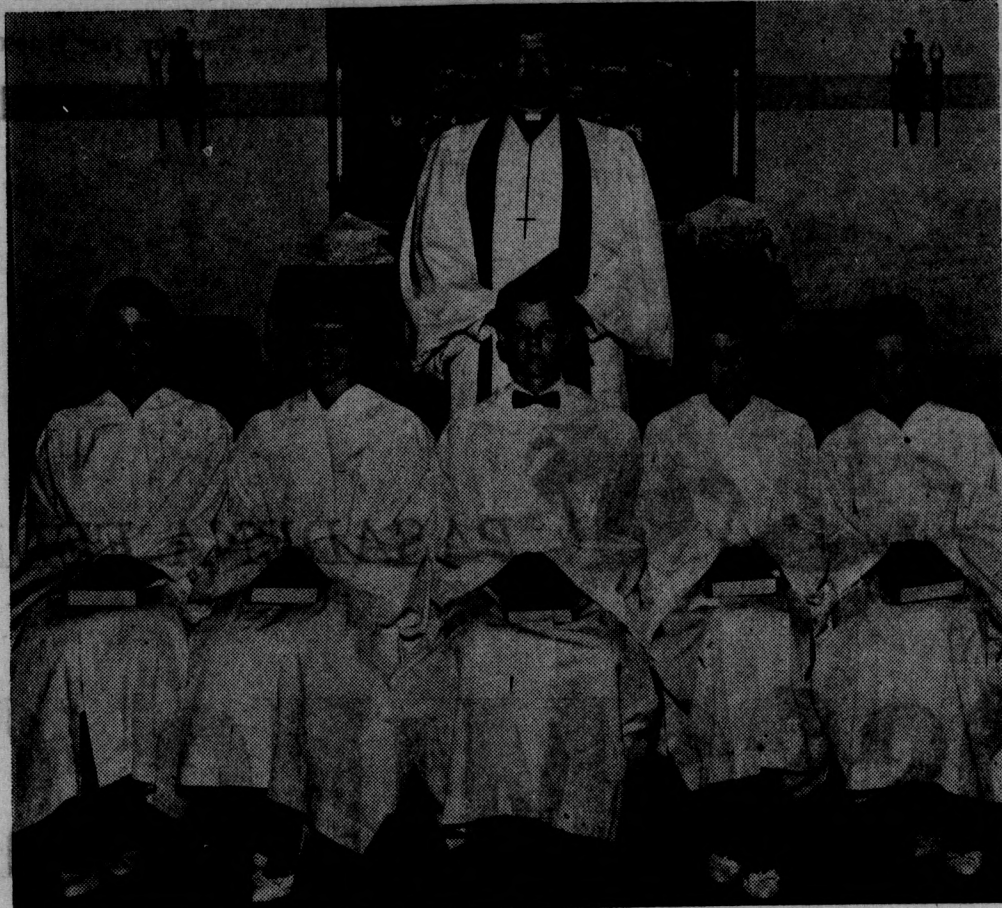

Music and story telling also adapt themselves to this method of teaching. Above all, the student will develop the capacity to work on his own, so necessary in making academic progress.

THE INCREASING use of closed circuit television for varied instructional purposes is a constructive aid to teaching inasmuch as it gives every student a "front row seat;" it can bring into the classroom things not otherwise brought in; it provides excellent magnification, as of slides, for example, in the teaching of science; it provides expert instruction for large groups.

However many changes must be faced by teachers who must learn many mechanical terms, who must revise their teaching to serve as guidance directors as well as transmitters of information.

Administrators are faced with, among other problems, by those of scheduling classes and budgeting school money to provide for basic equipment.

Among the area teachers and educators at the National Education Association's meeting was noticed Mrs. Carlson, supervisor of the Pasadena City School District; Miss Grace McFarland, Elementary School assistant superintendent of Pasadena City Schools; Mr. Shutman principal of the Don Benito School with Mrs. Shutman, principal of the Don Benito School with Mrs. Shutman, and Mrs. Alexandra Prober of the Sierra Madre School.

CONFIRMATION CLASS of 1960, which was confirmed and had its first Communion at Shepherd of the Hills Lutheran Church on Pentecost Sunday, includes, from left, Miss Kathleen Chambers, Arcadia; Miss Carol Hansen, Hastings Ranch; Stephen Galchutt, Arcadia, class president; Miss Susan Vogel, Arcadia, and Miss Eloise Sewell, Arcadia. The pastor is the Rev. Ray E. Hansen.

Russian Teacher Writes New Play

Joseph Umans, instructor in Russian language and Russian history at Monrovia-Duarte Evening High School, has written a play based upon the Russian Revolution. This play will be studied and dramatized at the Workshop at Idyllwild this summer, and will be directed by the professor of dramatics at UCLA. Participating actors will be selected from the group in the Workshop. Date of presentation will be announced later.

Umans has been teaching beginning Russian language and intermediate Russian language, as well as Russian history, for the Monrovia-Duarte Evening High School during the past year, and he will offer the same courses during the fall semester.
